

## Something To Shout About The Power of the Gospel

By Allan Bruce

"Jesus if your really real , come and live in me!" I remember a peace inside like I had never known before and a Joy in my heart. It was simple really and today it still is. Many times since I have made it complicated and got lost in religion or human effort. Time after time it all comes back to the place I live today , in relationship with Jesus

**Romans 12:1-2 (KJV)**

**1 I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.**

**2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.**

I am applying this truth to my life and by grace I will become it.

I believe the question is the same for most people, God are you real? I know He is and wants to be in relationship with every one of us.

Asking Jesus if He was real was the best question I ever asked and receiving Him into my heart was the best decision I ever made.

### It's not what I did but what Jesus did

## Stepping out of our comfort zone Sharing God's love with the nations

After a year in a safe learning environment, we are now stepping out of our comfort zone. We have been invited to C3 city church Paris to join them in sharing God's love through street ministry and an outreach concert put on by the church.

It is our expectation to experience the power of God and see lives changed as we carry out the great commission that Jesus talked of in

**Mark 16:15 Go ye into all the world,  
and preach the gospel to every creature.**

### The Good Report

We look forward to sharing with you the good report of what God will do through us as we minister to the people of Paris

Thank you to all who have shared in this ministry through giving generously. You are sowing into good ground.

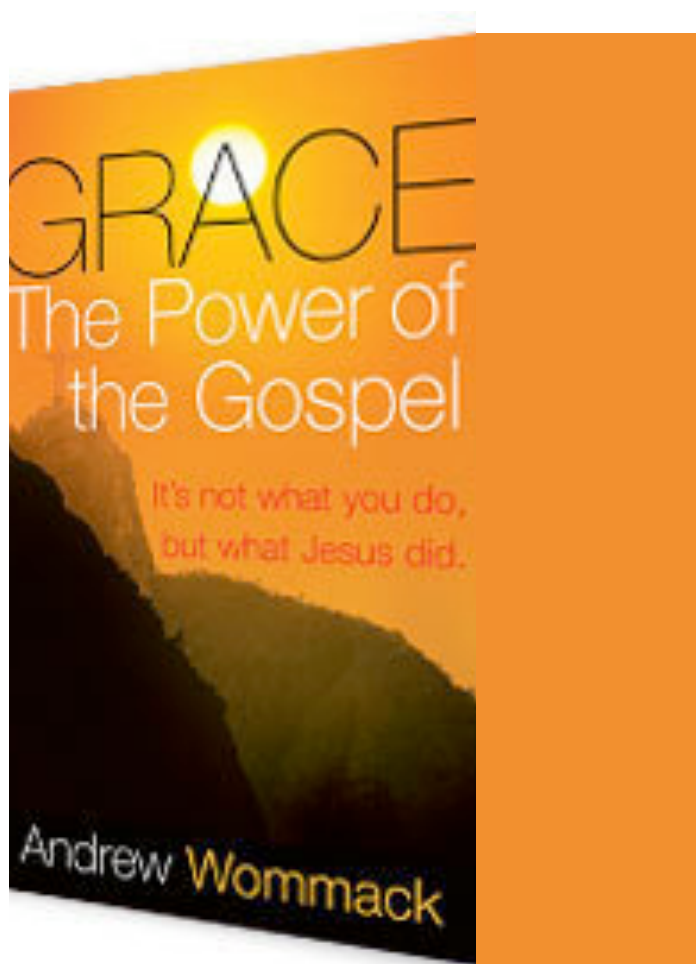

Keep us in your prayers.

The book of Romans is the Apostle Paul's masterpiece. Punctuated with Old Testament examples, it's a detailed and scholarly treatise on the subject of grace. If you truly understand and receive its message, you'll be thoroughly convinced that right standing with God comes by grace, not your works. Romans has literally changed the world. Back in the 1500s, Martin Luther became frustrated with all of his religious observances. When he finally despaired of ever earning his salvation, the Lord spoke to him through this verse in Romans: **"Therefore we conclude that a man is justified by faith without the deeds of the law" (Rom. 3:28).**

This spark of revelation not only changed Luther's life, but also ignited what we now call the Reformation. Its impact on individuals and governments literally changed the world – and continues to do so today.

Every revival has had a revelation of God's grace. Each awakening has possessed an acute awareness of man's need to forsake independence and acknowledge his dependence on God. Therefore, anyone desiring revival today must start with recognizing their own complete inability to produce right relationship with God through human effort and good works – both in the initial born-again experience and in day-to-day maintenance. The book of Romans deals directly with this same self-reliant, self-dependent attitude that still pervades the world. That is why Romans remains as timely for us today as when it was first written.

The book of Romans is a verse by verse 1st year class at Charis Bible College Belfast

### Discipleship Evangelism

A disciple is a 'disciplined learner' and defined also as 'thought accompanied by endeavor'! Are we disciples and making them?  
(A.Wommack)

The Lord led me to start Charis Bible College for the purpose of training people for the work of the ministry. He wanted me to take a unique approach; it had to be a combination of the rich teaching of God's Word and practical, hands-on ministry experience.

Through our discipleship training course you will get in depth training that will not only change the way you see God but you in turn will be able to teach others.

Discipleship Evangelism is part of the 1st and 2nd year interaction group course at Charis Bible College Belfast
