During Campus Days at CBC Belfast, Wendell will be teaching on the Gifts of the Spirit

Introduction

This is an exciting class that discusses the Person and the work of the Holy Spirit.

Not only will you learn how He has worked throughout history, but how He works in your life.

*Text:* 1 Corinthians 12:8-10

*Introduction:* The nine manifestations mentioned in these verses are examples of how God meets our needs in a variety of ways. Obviously, these can operate through any individual God chooses and in any set of circumstances. A person could be used by God in all nine gifts if the need arises and faith is exercised. However, we usually see one person used predominantly in one gift.
